Yes, I want to be a part of helping the TEC Movement for the Diocese of Dodge City grow stronger. I realize that by serving on the Resource or Wheat Crew, I am helping in this movement. I promise to bring a positive attitude and openness to other team members. I promise to attend the team meetings and will try to attend the Con-TEC following the TEC weekend. I will also continue to live the fourth day, by:

- Remaining in contact with the candidates after the TEC weekend**
- Talking to other youth about attending TEC as a candidate**
- Focusing more deeply on the Paschal Circle Process – (See back and complete)**
- Continuing to spend time in prayer and reflection – knowing that TEC is not just a weekend event, but a movement.** (Movement – TEC is not a weekend retreat, but rather something that has grown over the past forty years, and continues to touch the lives of young people throughout the nation. TEC, this movement, goes beyond the weekend itself.)

Paschal Mystery Spirituality

How am I being invited into Christ's Paschal Mystery at this time in my life?

Dying with Christ:

- ✍ In what area of my life is Jesus most clearly calling me to die to self? (family, school/work, personal life through prayer/scripture, fasting or sacrifice, giving of time/talent/treasure)
- ✍ What am I holding on to? What is keeping me from a closer relationship to Christ and others?
- ✍ God can use our brokenness & pain to bring new life...what are the issues, situations God is gently encouraging me to turn over to trust?

Rising With Christ:

- ✍ In what areas do I hear/feel/sense new life stirring within me? Around me?
- ✍ Where do I experience God's affirmation and invitation?
- ✍ When do I feel closest to Christ?
- ✍ For what am I particularly grateful?

Going Forth With Christ:

- ✍ Where do I feel called to step out in faith...to take a risk?
- ✍ How am I being asked to be the hands, feet, ears, eyes, mouth, heart of God?
- ✍ In what practical ways am I being invited to share my faith?
