

## *When?*

World Youth Day takes place Aug. 15-21, 2011, but we'll be out of the country from Aug. 7-23 to allow extra time for touring Toledo, Segovia and Avila, all located near Madrid, prior to World Youth Day.

## *But that's a long way off!*

World Youth Day 2011 is not a vacation or a time for partying, it's a spiritual journey -- a pilgrimage. Like any pilgrimage, the preparation for World Youth Day is a journey in and of itself. Long before we leave, participants will be meeting monthly to spend time together in prayer and to organize the trip.

## *Speaking of money...*

Believe me; I understand. That's another reason why we'll begin gathering so early, to help you come up with ways to earn money for the trip!

If you even have a hint of an inkling of a suspicion that you'd like to go to World Youth Day 2011 in Madrid, now's the time to get more information! Contact Father Ted Stoecklein at his email link at the bottom of the Diocese of Dodge City WYD website. He'll be happy to send you any information you need to get started on the journey.
