

# Who?

YOU! If you are between the ages of ... hmmm .... How old exactly *do* you have to be?

Past youth days have included a requirement that youth be between the ages of 14 and 39.

# But not this year!

At this year's World Youth Day, there are only two requirements of the Diocese of Dodge City:

- 1) Anyone under age 18 must bring a parent as a chaperone.**
- 2) Adults, especially older adults (you know -- those over age 30) must be in good enough shape to keep up with the youth! You'll be asked to carry a backpack, walk perhaps several miles throughout the two weeks in what will probably be hot weather, and to sleep outdoors on some occasions.**
