

Lay Witness Service Intro

Intro

John 1: 35-50. In this narrative, Jesus teaches two lessons. The first lesson is Jesus call each of us to do something for him. Jesus knows my/our strengths, my/our weaknesses, my/our destiny; he has a purpose for me/us. My/our life is to be lived to honor our Lord in my/our unique vocation.

The second lesson is we/I do not hear the Lord's call alone. In our parish, in our communities, and families, we are to help one another listen for and answer God's call in our special way. To help one another live out our call from the Lord.

At this time you are invited to share an experience in your life when you answered Jesus call. Please choose an experience that is personal. You are not expected to share any intimate details.

Outro

We/I share our story with you to help you connect to the Gospel and to our Lord by answering his call to serve him in your own special way. Just like the disciples in John 1: 35-50. We/I cannot guarantee answering Jesus' call will be easy and without challenge, but it is worth it and makes a difference.
