Hi there!

As you prepare for the next step, know that Jesus is with you, ("...*behold, I am with you always, to the end of the age.*" Mt 28:20) and that I am praying for you! - Between the Diocese of Dodge City and your future college campus ministry, there are plenty of opportunities to grow in your Catholic faith. + **Ordinations** - Congratulations to Fr. Eric, Fr. Esteban, and Fr. Carson! What a gift to our diocese to have three new priests! Please join me in praying for them as they begin their new ministry!

+ Summer Missions Training - We spent the first week of June training the college students who will lead Prayer and Action, Totus Tuus, and Camp Cristo Rey! That makes for 110 souls who have served our diocese as Summer Missionaries! Praise God! (As a bonus, we trained the 6 Totus Tuus teams from the Salina Diocese as well!)

+ Prayer and Action passes 500 - Since it began here in 2015, Prayer and Action has now had (at least) 515 attendees! Many of the people who have been involved are now parents and are hopefully passing on that "ora et labora" lifestyle to their children and encouraging them to examine their days for "God is Good" moments.

+ **Vocations Ministry Team Members** - If you are interested in fostering a culture of vocational discernment in your parish, there may already be a local team that I can connect you with. If there isn't one, perhaps you could start it! If you would like to be "kept in the loop" about what other teams are doing across the diocese, let me know and I will get you connected with the Vocations Brigade Newsletter. It is similar to Chancery Chatter, but is tailored specifically for Vocations Ministries. - Lastly, if you'd really like to be involved with sharing information from your parish and learning about what others are doing, [join our group](#) on the Called app.

+ **Alms** - If you would like to [financially support](#) our various ministries at the diocese, or [give specifically to Summer Missions](#) and assist in the proclamation of the Gospel, we would be grateful!

Tri-Deanery Trivia

Can you name this parish?

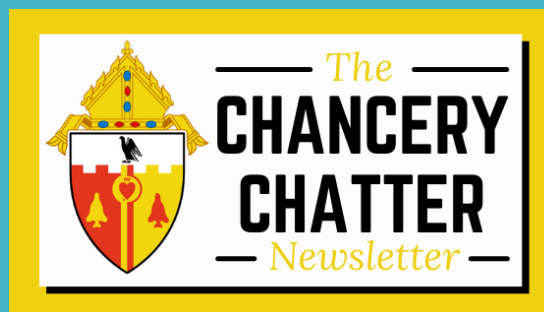

The first person to email me with the correct identification of this parish in our diocese will win some kind of swag! Maybe a t-shirt, stickers, or a book! Congrats to Elise Helfrich and Jeff Schawe who both correctly guessed the last one!

My Last Chancery Chatter

I can't begin to tell you how grateful I am for the Diocese of Dodge City, the staff that I serve with, and all of the people that the Lord has brought into my life through this mission. The last 11 years have been an amazing adventure, and that is why saying "goodbye" is so tough.

Sydney and I have both accepted jobs in the Wichita area and will be moving in July. We are excited to follow the Lord in this next chapter, but we are working through the grief of leaving on a daily basis. We have poured ourselves into this ministry and people have loved us back. What an amazing gift!

Thank you for your love, prayers, and support over the years. It has truly been a joy to serve God with you in this section of His vineyard!

You are receiving this email because you/your children have helped with or participated in some ministry related to Youth or Young Adults in the Diocese of Dodge City. (Thanks again for that!) We figured you might want to stay in the loop on these sorts of things, but if not, feel free to unsubscribe with the link below:
