ST. MARTIN'S AMAZING MAZES

FIRST:

As there is no day when both of the beings would be lying, at least one of them must have spoken the truth. They both speak the truth only on Sunday. However, the Lion would then be lying in his statement, so it couldn't be said on Sunday. So exactly one of them lied.

If the Unicorn was honest, then it would have to be Sunday - but previously we proved this wrong. Thus only the Lion spoke the truth when he met Alice on Thursday and spoke with the Unicorn about Wednesday.

SECOND:

- weather
- storm
- rain
- tornado
- hail
- mud

Final Message: SUMMER

THIRD:

Pheasant, ant, toad, adder, rat, turtle, leech, hare, eel, lion, newt, tiger.

To the two or three people who go to this webpage:

The printed issue of the *SKC* was unable to print the solutions to the Crossword and Sudoku due to some sort of weird computer problem.
